

Dear Debora, This package was made up to go  
to Miss Bailey but I foolishly did not send it down the  
night before, thinking that I could get it down to her by 8.  
But I could not get Lucia up in time. I can think of no other  
news to tell you. Henry was in last evening & spoke of  
"The Slave" in high terms. I will send it the first  
minute that I can. You may speak of it very highly  
& perhaps some people in N. B. may send to Boston & buy  
it. It is calumniated certainly to no good. I shall send  
this by the Taunton com. and the papers that Knopff  
gave you.

ever yr affec.

Saturday morning.

Miss D. Weston.
